

How to use Delicious

By: John Roening

Step 1: Create a new link.

Step 2: Copy and paste a websites name.

Step 3: Fill out information and hit save.

The screenshot shows a 'Save a Link' dialog box with the following fields and elements:

- Image:** A checkbox labeled 'No Image' is checked.
- Tags (optional):** A text input field contains 'press enter to add'. Below it, a button labeled 'x Games' is visible.
- Suggested Tags:** A list of tags including 'games', 'flash', 'free', 'game', 'online', 'online games', 'jordan', 'jogo', 'april2008', and 'freesoftware'.
- Title & Description:** A text input field contains 'Free Online Games - Gamenode.com'.
- URL:** A text input field contains 'http://www.gamenode.com/'. To the right of the field is an 'Edit' link.
- Description:** A text area contains the text 'Used to play this site in 6th grade, its pretty ok but I'm using stuff that has multiplayer now mostly.'.
- Character Count:** A label '103/1000' is located at the bottom right of the description area.
- Privacy:** A checkbox labeled 'Make this link private' is located at the bottom left.
- Buttons:** 'Cancel' and 'Save' buttons are located at the bottom right.

Four red arrows point to the 'Image' checkbox, the 'Title & Description' field, the 'URL' field, and the 'Save' button.

Step 4: You're done 😊.

The screenshot shows a web browser window with the address bar displaying `www.delicious.com/videogamelordwar`. The browser has several tabs open, including "Big Nate Comic Strip", "Google", "videogamelordwar's All", "Delicious", and "Free Online Games - Gamenode.com".

The Delicious interface shows the user's profile for **videogamelordwar**. The main content area is divided into two tabs: "Me" and "Feed". The "Me" tab is selected, showing a list of saved links under the "Recent" section. A red arrow points to the "Add a Tag Filter" button above the list.

The saved links are:
